Bicycle Riding in Downtown Eau Claire

some suggested loops & routes

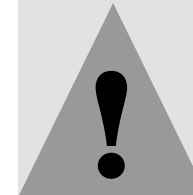

Creative Bicycle Route Planning: Pick a destination in Eau Claire (for example Fairfax Pool, Oakwood Mall, Lowes Creek Park, airport, etc.). Plan a route and take city streets and an expanding trail system to reach your goal (caution for traffic dangers).

Connecting with State Trails for Longer Rides: Riding south on the Chippewa River State Trail (to Downsville and Menomonie) or riding north on the Old Abe Trail (to Chippewa Falls and Cornell) can all be accessed from the Phoenix Park trailhead. Brochures and maps available at the trailhead or local bicycle shops. There are over 79 miles of scenic trails.

Safety First!

Please be sure to obey all traffic rules, wear a helmet, and exercise trail etiquette while cycling.
